

Thatch Article – Area Working Panels

Somerset County Council has recently launched five new and exciting committees aimed at bringing the needs of local communities closer to the County Councillors who serve them. The five Area Working Panels are based in each corresponding District area, for example, Mendip, West Somerset. The meetings are open to all and you are encouraged to attend to represent your community and to share your views. Further information can be found on the Somerset County Council website: <http://www.somerset.gov.uk/council/allboards.asp> or by emailing areaworkingteam@somerset.gov.uk
